

## # TakeUsForGranted

to make everything easier.  
Even buying a policy!

Welcome to Edelweiss General Insurance.  
Finding the perfect product, and buying it online, is a breeze!

### As easy as shopping online!

We've got something for every need. Browse around the product section, you'll find yours in no time.

### Let us know you better

So that we can recommend the perfect plan for you.  
We just need you to fill up some basic details.

### Our turn to return the favour

Once we get these details, we'll do some number-crunching and show you the best-suited plan.

### Like it? Go for it!

To buy the product, you just have to fill in a few more important details.

### We keep your payment safe, too.

When you proceed to pay, don't stress – our Billdesk gateway is totally safe.

### And you're done!

As soon as we get your payment, you stand covered. That was easy, right?

### In any case...

We'll be sending you a confirmation mail and your policy kit will reach you soon after.

Please note – If the premium amount is or exceeds ₹1 lakh,  
do remember to quote your PAN when our customer service representative contacts you.
